

Boiler Plus

Your combi control options

What & why?

With inefficient boilers

Almost 1/3 of homes in England are heated by older, inefficient boilers

Nearly 1/4 of homes are without a room thermostat

Without room thermostat

Vaillant have the solution

Load Compensation

Weather Compensation

Smart Controls
Includes load and weather compensation

Flue Gas Heat Recovery

TimeSWITCH 150 & VRT 50

VRC 700F

vSMART™

ecoTEC Exclusive Green iQ

OR

VRT 350F

It's simple - use any of the Vaillant controls above with any Vaillant boiler and you will meet Boiler Plus.
