

Support for Apprentices, in Staffordshire

Background

- Provided workwear for 16 in Apprentices in Stoke-on-Trent, Staffordshire
- Partnering with installers
- Supports skills and employment in the community
- Tackles youth unemployment
- Supports the local economy
- Suitable workwear encourages a professional and customer-focussed approach
- Appropriate workwear reduces accident and injury

“We’re delighted that Vaillant have offered to be a sponsor for our apprentices. It’s great to have the support of a market leader and a trusted manufacturer, and the workwear Vaillant kindly donated to us was very well received - each one of our apprentices was thrilled!”

Tina Holdcroft
