

River Tay Foundation

Background

- Vaillant made a donation of £10K to the Tay River Foundation
- Charitable Trust supporting the River Tay and its tributaries, fish and environment
- Salmon in the Classroom initiative supports the curriculum
- Influencing sustainable and positive change
- More than a financial commitment, we are working on further projects and volunteering
- Coincides with the opening of our £1m Scottish Centre of Excellence with its emphasis on training, skills, carbon reduction and eliminating fuel poverty

“Support from organisations like Vaillant Group is essential in allowing us to continue our work. We have been very impressed with the commitment Vaillant Group has shown to Scotland through its investment in the Centre of Excellence and its proactive work with Scottish partners and installers to accelerate the elimination of fuel poverty and reduction of carbon emissions. I believe this will be a long and fruitful partnership.”
