

Background

- Delivered through *The Realise Foundation*
- Located in Wolstanton, Stoke-on-Trent
- Serves children and families from North Staffordshire and Cheshire
- Sensory Garden for children with learning disabilities
- £11.5K match funding from Vaillant
- Total cost £22.5K
- Constructed by apprentices from Aspire's social enterprise, PM Training

“When we were told that the £10,000 would cover only a small section of what we had planned for the children, we were understandably very disappointed. However, the staff at Realise were fantastic and managed to secure us matched funding from one of their corporate partners, Vaillant.”

Sophia Baker, Head of Fundraising for the Nursery
